MACMAHON SELECTED AS PREFERRED CONTRACTOR TO PARTNER WITH MRV TARONG BASIN COAL PTY LTD

The Board of Moreton Resources Limited is pleased to announce the selection of Macmahon Contractors as the preferred mining partner for the South Burnett project.

The selection marks the conclusion of a lengthy process and will see Macmahon partner with its fully owned subsidiary MRV Tarong Basin Coal Pty Ltd to advance the exciting project.

As outlined previously, Moreton Resources Limited took an extremely prudent approach in regards to the operating ethos, style and capability of the potential partner.

The intention of the Board is to now enter into a formal alliance arrangement with Macmahon to provide mining services over the first 5 years of the South Burnett Project.

About Macmahon

Macmahon is an international contracting company offering the complete package of mining services to clients in Australasia and Africa.

Listed on the ASX and headquartered in Perth, the Company has extensive knowledge and experience in Surface and Underground Mining, Engineering and Fabrication, Construction and associated contracting services.

With an international footprint, Macmahon's reputation for outstanding teamwork, integrity and commitment to the environment is underpinned by the Company's core value – safety

Macmahon's considerable mining experience across a variety of commodities, positions the Company as the contractor of choice to provide a full range of services to clients.

Macmahon currently provides mining services to some of the world's largest mining companies, and has the capacity to tailor its offering to best meet the specific needs of its clients.

The Board of Moreton Resources Limited looks forward to updating the market on the progress of our project and certainly look forward to the advancement of the South Burnett project, which has in the last week, taken a significant step forward in our realisation.
