## **Incident in Nigeria**

Macmahon Holdings Limited regrets to confirm the fatal shooting yesterday of a local employee in a security incident near its operations in Calabar, Nigeria which also resulted in the abduction of seven employees.

The employees who were abducted in the incident include three Australians, two Nigerians, a New Zealander and a South African. We are working to ensure the safe return of all the men involved and are in communication with their families.

Macmahon is providing support to the men's families and we ask the media to respect their privacy at this time.

Counselling has also been made available for all Macmahon employees and their families.
